

CODE OF CONDUCT

At Educarents we:

treat others with respect and encourage collaboration in the community;

advocate Educarents' charitable purpose;

always act with honesty and integrity;

respect confidentiality and privacy;

identify and manage conflicts of interest;

comply with our legal and compliance obligations;

make sure we are familiar with and always follow Educarents' policies and procedures;

always use the correct processes with regard to our own, our family members' or any other person's Early Childhood Education and Care arrangements;

respect our access to Educarents' special features;

and protect Educarents' reputation in the community and media.
