

FEEDBACK FORM

Thank you for providing feedback to Educarents.

Our goal is to empower families and strengthen communities and we value the opportunity to receive feedback from all people (big and small) who make up these families and communities.

Please tell us your position in our community :

(ie parent / Educarer / interested community member)

Please tell us what prompted you to provide feedback :

(ie: responding to request for feedback for Educarents self review, noticed an area for improvement)
